Gaithersburg, Maryland 20899-0001

DATE: 06 April 2021

Product Identifier

RM Number: 8260

RM Name: Infant Nutritional Formula (hydrolyzed milk-based)

Under the U.S. Department of Labor, Occupational Safety and Health Administration (OSHA) 29 CFR 1910.1200, this Reference Material (RM) is NOT classified as a physical hazard or a health hazard, a simple asphyxiant, combustible dust, pyrophoric gas, or hazard not otherwise classified. There are no hazard pictograms, hazard statements or signal word associated with it. Safety Data Sheet information is not required. This document may be used in conjunction with your hazard communication program.

Description: This RM is intended for harmonizing measurements of nutrients and contaminants in infant formulas, adult nutritionals, or similar materials. A unit of RM 8260 consists of one can of powdered infant formula. Each can contains approximately 400 g of material.

Additional Notes: RM 8260 is intended for laboratory use only, not for human consumption. See Reference Material Information Sheet for storage and use instructions.

Disposal: RM 8260 components should be disposed of in accordance with local, state, and federal regulations.

Transport Information: This material is not regulated by the U.S. Department of Transportation (DOT) and/or International Air Transport Association (IATA).

Disclaimer: The NIST information in this document is specific to the NIST product and is believed to be correct, based upon our current knowledge. This document may not necessarily be all inclusive and should be used only as a guide. NIST does not guarantee the accuracy or completeness of this information. The only official source for specific values and uncertainties is the certificate or information sheet.

Users of this RM should ensure that this document and the corresponding Reference Material Information Sheet in their possession are current. This can be accomplished by contacting the SRM Program: telephone (301) 975-2200; e-mail srmmsds@nist.gov; or via the Internet at <https://www.nist.gov/srm>.
